Dear Chris

**Application to construct and operate the Stornoway Wind Farm located approximately 2km West of Stornoway on the isle of Lewis (the Proposed Development)**

Stornoway Wind Farm Limited (Company Number SC225262) respectfully submits an application under Section 36 of the Electricity Act 1989 to construct and operate a wind farm with a generating capacity in excess of 50MW, comprising up to 35 wind turbines and associated infrastructure, including a battery storage facility.

Stornoway Wind Farm Limited also seeks a Direction from the Scottish Ministers under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission be deemed to be granted for the proposed wind farm.

The Proposed Development is subject to Environmental Impact Assessment (EIA) under the terms of the Electricity Works (Environmental Impact Assessment) (Scotland) Regulations 2017.

This Section 36 Application is accompanied by the following documents:

EIA Report

- Volume 1 – EIA Report Non-Technical Summary;
- Volume 2 – EIA Report Text;
